Suddenly died Paul Sulis

I want to thank Athena Stamporis for ~~this place~~ giving me the opportunity to speak a few words.

In the name of Paul's and my family I like to thank family and friends, for their sympathy and affection. Especially at the time of our grief and sorrow. Paul's death was untimely. I lost a wonderful husband and partner. The children lost a loving father. Also the community lost a good friend.

Thank you and God Bless you.

Again thanks

Josephine Sulis
and Family.
